

Taking Christ's Light to Campus

Ministry in Motion...

Thank You, Steffens!

We thank God for Kerwin and Marilee Steffen's seven years of service at our Servant Leadership Retreats. They helped equip over 140 students, who attended the retreats, with tools and insights on Christ-compelled leadership.

Marilee and Kerwin at the Green Lake Conference Center

The "Transforming Power of Servant Leadership"

Lovely Green Lake, Wisconsin, was the location of the April 8-10 Servant Leadership Retreat. Eleven students learned about John 13, Christ-compelled leadership — lovingly "washing the feet" of the people you lead.

Facilitator and Chapel member Kerwin Steffen conveyed an aspiring leader's absolute necessity for prayer and daily, intentional quiet time with our Savior. He taught the importance of recognizing the different personality types of people under one's leadership, and shared practical tips for facilitating meetings and writing agendas. Chapel member Marilee Steffen took care of lodging and food for the students. The students practiced their new-found leadership skills by putting together two worship experiences for Sunday morning — celebrations of the power of the Word of God in the hearts of His people.

International Family Ministry

Carol Spoebr, Kelly Dercks, and Karen and Alex Paschke acted as disciples on the first Easter Sunday. The children also dyed hard-boiled and hollow eggs (that they blew out!) for a fun craft.

This academic year 50 different volunteers — college students, Chapel members, and others — shared their faith in Jesus at Sunday School and "Saturday for Kids". They lead Bible-based teaching, drama, music, crafts, lessons and snacks.

The 7 "Saturday for Kids" events had an average attendance of 53 American and international children and adults and touched 82 different families.

The children joyfully singing at Easter for Kids

Plans for Second Pastor!

To get to the next level of mission work in our ministry we are planning and praying for a second campus pastor. Along with the recent \$50,000 Thrivent Financial Challenge Grant we are in the process of contacting foundations and individuals to secure the needed funds. At the April 10th Chapel Town Meeting, we received encouraging input from students and members on ways the Chapel community, with the Spirit's guidance, can work together with Pastor Trapp and the second pastor to bring more people into God's Kingdom.

Bacon & Bible

What draws men to a Bible study? Bacon, of course! On Saturday mornings this past semester, twenty different men came for breakfast and Bible time facilitated by Nate Moll (UW Junior studying Biological Aspects of Conservation and Environmental Studies) and Todd Wendorf (Operations Manager and staff minister). Over ninety Chapel people get together weekly in various large or small groups to "search the Scripture". "Faith comes by hearing...the Word of God" (Romans 10:17).

Lakeside Lutheran Senior Day

Twice a year, the Chapel welcomes the Senior religion class from Lakeside Lutheran High School. We encourage them to continue to nurture their faith after high school, make them aware that campus ministries exist to serve college students, and urge them to get involved in one.

Help Connect Students

We often hear: "I didn't know this campus ministry was here!" Help connect students with campus ministries.

- Call the recent high school graduates and current college students in your church
- Ask if and where they are going to college
- Get their permission to send their names to the appropriate WELS campus ministry
- Send name, contact info and college to WELS campus ministry secretary, (karen.marshall@wels.net or 414-256-3279). *If coming to Madison, send it directly to Judy Metzger (jmetzger@WLChapel.org).*
