THE PRICE TAG

Yeah, money is always an issue, especially for a college student, but here's the deal: no Chapel participants will be excluded because of cost!

The weekend includes a two-night stay—Friday, Feb 10, and Saturday, Feb 11, and runs until Sunday, Feb 12 at noon. If you can't stay the whole weekend, you're welcome to stay just one night. **Rides are available.**

The cost is \$65 for two nights (\$80 for non-students), or \$45 for one night (\$60 for non-students). These rates include lodging and food. Please don't hesitate to go because of the cost. **Talk to Judy!**

Please sign up and submit your payment by Wed, Feb 8. Sign up on the student bulletin board in the Activities Room or in the Fellowship Hall. Make checks out to Wisconsin Lutheran Chapel and submit them to Judy.

For more info on financial assistance, please call Judy at the Chapel (257-1969). **And don't wait!!!**

GOT WHEELS???

If you've got access to a vehicle and are willing to give others a ride to the retreat, please let us know ASAP. Mark which day you can drive on the Activities Room and Fellowship Hall sign-up sheets or call Judy at 257-1969.

LEAD THE WAY!

Take University Ave./Campus Dr. to Midvale Blvd.
Take Midvale south (turn left). As you leave Madison, Midvale becomes Highway 18/151.
Take Highway 18/151 southwest through Verona.
Continue west on 18/151 about 40 miles.

As you approach Dodgeville, Highways 18 and 151 split.
Continue on Highway 18 until the exit for Dodgeville.

At the second set of stoplights in Dodgeville, turn right onto Highway 23 (toward Spring Green).
Go north on Highway 23 for about 6.5 miles.

Look for a white arrow sign on the right side of the road that reads "Bethel Horizons." Look for Junction ZZ.
Turn right. Go 1.3 miles and turn right into the Bethel Horizons driveway (there's a green sign next to the mailbox).

Go past the blue house and park in the parking lot on the hill (on your left as you enter).

LOVE LANGUAGES

Whether we know it or not we all speak a primary love language. It may be you deeply appreciate receiving words of affirmation or quality time or gifts or acts of service or physical touch.

Whatever your "LOVE LANGUAGE" happens to be, such knowledge will help you relate to other people: your special friend, spouse, roommate, family member or co-worker.

How did Jesus speak these love languages to us?

Pastor Bill Limmer will lead the workshop. He is the WELS Campus Pastor at UW-Milwaukee.
