

Taking Christ's Light to Campus

Growing Together in Christ

Wisconsin Lutheran Chapel (UW-Madison)

Fall 2018

Humbled in Christ

“I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel” - Philippians 1:3-5

Where did the year go? As I reflect on my first year at the Chapel, the best word to describe it is humbling. I am humbled by the privilege to serve the Chapel, and I am thankful to God for this opportunity!

I am humbled by our talented staff. God has given us a competent, capable, and committed group that works together to take Christ to campus. Through their faithful work, I am blessed to focus on the powerful Word of God – counseling, preparing sermons and Bible studies, and growing in the Word.

I am humbled by your support for the Chapel's ministry. Your partnership in the gospel is so uplifting, and I am in awe of the prayers and gifts you give so freely and generously. Thank you for the countless notes of encouragement you sent this year. It brings me joy to hear from members of the Chapel family who live miles away from Madison.

Finally, I am humbled by God's love and protection as we enter a new school year. He truly holds us in the palm of His hand, and we are looking forward to many future blessings. This year the Chapel will host a vicar from Wisconsin Lutheran Seminary. We are also excited to launch a new Bible study curriculum. Very soon we will greet returning students and welcome new ones. All of this is possible only through our Savior and His blessings. Thank you for your partnership in the Chapel's ministry!

Young Professionals at Chapel

The Young Professionals Life Group has been one of our most active groups this summer! Every week, young professionals living in Dane County gather around the Bible at the Chapel. They're growing together in the Word as they study the book of Romans.

In addition to weekly Bible studies, the group meets regularly for social gatherings and service opportunities. The young professionals group offers people in their 20s and 30s a chance to meet other Christians and strengthen their faith.

The Chapel continues to be a “home away from home” for people from many different stages of life. If you know anyone who might be interested in joining our group, please have them contact the Chapel.

Welcome, Vicar Chris and Melissa Royce!

As Chapel prepares to welcome students to campus, we also prepare to welcome our campus vicar. During his third year of seminary training, Vicar Chris Royce will spend the year serving college students, international students, and members at Chapel. After growing up in Green Bay, he's excited to spend time exploring Wisconsin's capital and serving our Chapel family. It will be a wonderful opportunity for him to learn about campus ministry firsthand.

Vicar Chris will be installed during the 10am service on Sunday, August 12. May God bless the Royces richly during their year in Madison!
