MAKING THE MOST OF EVERY OPPORTUNITY

by Pastor Jon Bilitz, Campus Pastor

Milwaukee Brewers Fantasy Camp was amazing! For one week, I was treated as a major-league baseball player! We got to play ten games on the fields that are part of the American Family Fields of Phoenix complex. We had personalized jerseys hanging in the clubhouse, professional trainers cared for us. Our coaches were former Brewer players. God blessed me to live out a dream!

I hadn't really thought about it much before arriving. No one there knew I am a pastor. When I was asked, I told people about my profession. I was amazed how many doors to witness God provided! Even some of the former Brewers players asked questions about my work. My standard answer: "I am blessed to tell people about a Savior who loves us and died for us." God gave me opportunities to make some meaningful connections in just one week! In Ephesians 5 Paul says, "Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity." God bless you as you live your faith and make the most of the opportunities he gives!

MY PLAN, GOD'S PLAN

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart."

(Jeremiah 29:11-14)

It's easy to get caught up wondering what the right plan is for our lives. Do I take this internship? Do I live with these roommates? Do I major in biology? Where should I live? Recently, fourteen college students took a break from fast-paced campus life to focus on their faith. The getaway weekend focused on making plans for our life while also trusting that God will guide us in our decisions and be with us wherever we go. Through Bible study, conversation, and experiencing God's beautiful creation, students grew in their faith and friendships.

STUDENT OUTREACH

NIGHT TO SHINE

Christian Faith in Action (“CFiA”, our UW Registered Student Organization) recently had an opportunity to give back to the community by volunteering at the Night to Shine event in Rockford, IL. Night to Shine is an unforgettable prom night experience, centered on God’s love for people with special needs ages 14 and older. Nine students and two staff members volunteered as buddies for an evening including dinner, movies, karaoke, and dancing. Memories were made, love was shown, and everyone experienced an enjoyable evening. We hope to continue this partnership in the upcoming years.

LUNAR NEW YEAR 2024

With our international ministry expanding, Chinese New Year was a big hit as almost 60 people came together to make dumplings, do crafts with the kids, and even sing Chinese praise songs! Some new friends signed up for ESL classes afterwards and a Chinese Bible study is now being held on Sundays between services. Praise the Lord for these great blessings!
