

TAKING CHRIST'S LIGHT TO CAMPUS

Wisconsin Lutheran Chapel & Student Center

Quarterly Update | Spring 2026

A NIGHT TO SHINE

In February, students and members from Chapel traveled to Rockford, Illinois to volunteer at “Night to Shine,” a prom-like event that serves teens and young adults living with disabilities in southeastern Wisconsin and northeastern Illinois. Chapel volunteers were paired up with guests and enjoyed a wonderful night of dinner, dancing, and the joy that comes from seeing God’s love shared with every corner of his kingdom!

HAPPY LITTLE CRAFTS

This semester the Chapel housefellowes hosted a “Happy Little Crafts” painting event, with over 15 students participating. They watched a Bob Ross video and put their art skills to work. They came home with their own canvas painting and even more appreciation for Bob Ross’s ability to paint a masterpiece in 30 minutes.

LIFE GROUP OPPORTUNITIES

Build Christian relationships and enjoy fellowship with others in the Chapel community. All are welcome! Visit wlchapel.org/lifegroups.

SHOWING JESUS' LOVE WITH "LASAGNA LOVE"

On the first Wednesday of every month, Chapel students come together to make lasagna for those in need. Through the national organization Lasagna Love, Chapel is paired with local families who might need a meal for various reasons (e.g. medical issue, sickness, new baby, low income, etc.). We are grateful for the opportunity to serve others and give back to our community.

2026 WINTER RETREAT

Students from both UW-Madison and UW-Platteville gathered at Chapel's annual winter retreat in February. Our theme this year was "One Last Stop Before Heaven". We discussed grief, death, and the hope that we have because of Christ. We also enjoyed great food, played games, and went hiking.

CHINESE NEW YEAR

On Chinese New Year, we hosted a dumpling-making event. We made 1,800+ dumplings and served 128 people. Most guests were Chinese, but we were also joined by Indian friends, Chapel members, and local college students.
