

TAKING CHRIST'S LIGHT TO CAMPUS

Wisconsin Lutheran Chapel & Student Center

Quarterly Update | Summer 2023

WELCOME, BETHANY!

Chapel has a new Outreach Coordinator—well, new to the position but an alum of the Chapel Family. Welcome back, Bethany Brewster! Bethany is a 2003 graduate of UW and frequented the Chapel while she was in school. She met her husband, Emmanuel Stern, at Chapel and they will celebrate their 20th anniversary in September.

God has blessed our ministry with someone who is extremely qualified for this position. Bethany has worked with college students daily for the last 19 years as the cross country and track coach at Edgewood College. In addition, Bethany pursued a master's degree in mental health during that time. For the last 7 years, she has been serving the students of Chapel, offering Christian Counseling to students and many others in the Madison community.

“For me, it is all about the students.” Bethany said. “Serving them is my opportunity to serve my Savior, too.”

Please pray for Bethany to be a blessing at Chapel and to be blessed through her work.

WORSHIP OPPORTUNITIES

Thank you for worshipping with us! Visit wlchapel.org/livestream to tune in on Sundays at 10:30 am CST and Wednesdays at 9:00 pm CST.

INTERNATIONAL MINISTRY

INTERNATIONAL VBS “SOARS HIGH”

From July 31 to August 3, Chapel hosted a vacation bible school (VBS) at the Eagle Heights apartments on the UW-Madison campus. “Soaring High” was the theme for the week. Registration was open to both international and Chapel families, and 18 students attended. Children ages 3-12 took part in Bible lessons and enjoyed games, music, art, and snacks while the adults gathered for Bible-based literacy instruction and discussion. What a blessing to share Jesus in this way!

STUDENT CENTER

WI-FI UPGRADE

The hundreds of students who come through Chapel's doors each school year appreciate our free Wi-Fi, and this semester they'll be excited to hear that we're upgrading our Wi-Fi network. The new equipment we're installing this fall will enable faster connections with the latest mobile devices, and it will be better at handling heavy usage during those busy periods when many people are in the building.

A NEW LOOK

Thanks to a generous donation, Chapel will have a fresh look as the students return to school. The concrete under the entryway, in the west stairwell, and on a portion of the garage floor will be getting an epoxy coating. This coating will not only look sharp, but will reduce slipperiness and increase the life of the surfaces in those areas. The project will be completed August 10-12. Come for a visit and check it out!

SERVICE OPPORTUNITIES

Outreach, Christian growth, music, properties, technology, advancement...volunteer to serve at wlchapel.org/serve.

HELP US CONNECT

We truly want to be a “home away from home” for college students who are in Madison. We can’t let them know about our student center without their contact information! If you know of a student who is in Madison for college, please scan this QR code and share that information with us so that we can reach out to them. Thank you!
